ABOUT THE PROJECT

The Horizon

The Horizon by Summit Developers is already one of Seawoods' most recognisable buildings — its fluid sculptural facade and rooftop infinity pool have made it a genuine local landmark. Positioned steps from Seawoods Grand Central and the living spaces, a natural wood-accented facade, and a suite of community amenities that go well beyond the typical. With possession in December 2026 and strong Final units remain — possession March 2026.

WHY THIS PROJECT

An Architectural Landmark

The Horizon's fluid sculptural facade with integrated LED lines is not a building that blends in — it is already a collector's address in the making.

Rooftop Infinity Pool

The rooftop infinity pool frames the Navi Mumbai skyline in every direction — a private amenity that most five-star hotels would be proud to claim.
